

Ravi S Ramakrishnan

Founder & CEO, RvaluE Consulting

Ravi Ramakrishnan is the Founder & CEO of RvaluE Consulting and RvaluE Learning Systems. He is a Chartered Accountant, Cost Accountant and Company Secretary with 30+ yrs of corporate sector experience. His vision is to enable organizations and people to 'realize business value'

Starting his career with Hindustan Unilever Limited, he comes with senior leadership experience as Controller/Commercial Manager in Murugappa Group, became the CFO at Eicher Group, and in his last role, was part of the global leadership team as Vice President and Business Leader at American Express to set up the pioneering Global Financial Center. He enabled growth and globalization of the Shared Service operations, creating 'global centers of excellence', and working with customers across the globe. He has a unique blend of exposure to professional, family and global work environments and in multiple domains of manufacturing/service Industries.

Ravi believes that business and people are two sides of the same coin. Accordingly, he formed RvaluE Consulting to focus on Business Services and RvaluE Learning Systems to focus on capability consulting and learning services. He evolved the Performance Framework - E⁴ (E to the power of 4) - Energy, Engagement, Execution and Excellence. He is an International Master Trainer for few global programs as well as IFC Business Edge programs. He is an Executive Coach for mid to senior level leaders. Ravi is a speaker at national and international conferences on topics relating to business process strategy, off shoring, shared services, outsourcing and organizational effectiveness

Ravi is the first independent consultant in India certified by ITSqc, Carnegie Mellon University, USA to implement eSCM – eSourcing Capability Model, and the emerging global standard for the SSC/BPO/ITO space.

Ravi has in depth of knowledge of the SSC/BPO space. He believes in partnerships with a collaborative approach and brings unique value to interactions through his global exposure, strategic, operational and leadership experience in business services, and comprehensive professional expertise as part of Senior Management teams, with successful change enabling/ leadership skills.
